Your Time, Talents & Financial Support Are Needed!

In 2019-2020, our Fellowship expenses are anticipated to be about **\$650/week**.

We need you! The work of our fellowship is primarily done by member volunteers, who donate **100's of hours** each year as greeters, hospitality coordinators, treat providers, board members, Sunday service leaders and committee members, and more. Of course, we couldn't function at all without our wonderful, part-time Fellowship Coordinator, Otter Dreaming.
